FALL 2003

2004 Patron's Pick Toronto's Favourite Restaurants

Dianne Werbicki, Editor

Best selling and best restaurant guide to Toronto restaurants, published annually since 1989, completely revised every year with 100 new restaurants this year. Based on surveys sent in by patrons recommending and describing their favorite restaurants.

- Reviews are based on ratings, comments and observations of restaurant patrons
- 450 restaurants listed alphabetically, 100 new this year
- Easy to use, fully cross-referenced indexes by district, type of cuisine and price
- Food, Service and Decor are rated and scored on a scale from 0 to 100
- A listing of the top 35 restaurants as selected by the patrons
- A listing of the best spots, having the highest combined scores.
- Over 60,000 copies sold of all previous editions
- Outsells Zagat 3 to 1
- Established brand recognition
- Trusted and known by Toronto restaurant patrons since 1989

DOCTOR SAX AND THE GREAT WORLD SNAKE:

A multimedia experience
Jack Kerouac

An astonishing discovery was recently made among the Kerouac archives; that he had written a screenplay, a script for a motion picture based on his classic novel, *Doctor Sax* - the only known existing screenplay to have been written by one of America's most renowned and influential authors. Kerouac's imagination runs wild in this screenplay, which cleverly combines child-like fantasies with true recollections of his childhood growing up in the industrial mill town of Lowell, Massachusetts in the 1930s. A time when things like the Merrimack River, abandoned buildings, religious memorials, and strange noises in the night ignited the unique talent of one of the great writers of the twentieth century.

Welcome to the world of 11-year-old Jacky Dulooz; a world of sinister plots, mischievous, youthful antics, underworld evildoers, colorful neighborhood characters and childhood chums.

Gallery Six is honored to introduce this Collectable Special Edition in its original form with over 70 illustrations by Richard Sala, and includes audio readings by celebrated writers, poets and recording artists with an original music score by John Medeski.

THE PACKAGE:

Gallery Six has created an exciting and attractive multimedia package: 2 audio CDs and illustrated book packaged together in an 8-panel fully-illustrated folding 'digipak' measuring roughly 7½" in. high X 5½" wide. The CDs sit in disc trays and the book fits into a panel pocket. The outside cover of the digipak has the appearance of a classic cloth-bound hardcover novel that will fit comfortably on a bookshelf.

THE AUDIO:

The spoken word version of the screenplay is produced in a style reminiscent of the 1930's radio show, *The Shadow*. The readers, all literary and entertainment greats, include Jim Carroll (Basketball Diaries), Robert Creeley, Lawrence Ferlinghetti, Robert Hunter (of The Grateful Dead), and Graham Parker, winner of Publishers Weekly 1996 Best Dramatic Reading for his work on the Jack Kerouac audio book *Visions of Cody*. John Medeski, of Medeski Martin and Wood, one of the foremost jazz groups in the world, has created a score that lifts Kerouac's prose off the page. Produced by Jim Samps (Badlands: A Tribute to Bruce Springsteen's Nebraska, From A Window: Lost Songs of Lennon & McCartney).

THE BOOK:

The book is the unabridged, illustrated version of the manuscript, printed in the form of a screenplay. It consists of 74 pages of text as originally laid out and created by Kerouac. Accompanying nearly every page of text are 72 superb illustrations created by Richard Sala (www.richardsala.com), one of today's most highly regarded Illustrators/Artists. The illustrations are in the style of a 1930's mystery novel and/or classic horror comic book. Introduction by renowned historian Douglas Brinkley.

Publisher: Gallery Six
Price: \$ 24.95 US; \$ 34.95 Canadian
Trim Size: 5 1/2" x 7 1/2"
Format: Trade Paper + 2 CDs

MARKETING & PROMOTION

- Advertising in *Publishers Weekly*, *UTNE Reader*, *Beat Fanzines*.
- POP available.
- Full service to daily and weekly newspapers.
- TV and Radio Campaign, NPR, and Live Performance in NYC and San Francisco
- Full color posters available upon request
- Special Collector's Edition

Jack Kerouac's enduring popularity is evidenced by the recent sale at auction of his manuscript of *On the Road*, which broke a world record at 2.4 million dollars and continues to sell over 100,000 copies per year. This will be an extremely well-received release, introducing the world to one of Kerouac's remarkable unseen works.

Real Ghosts, Restless Spirits, and Haunted Places

Brad Steiger

44 topical chapters such as "Ghosts That Saved Lives," "Invisible Home Wreckers," "Phantom Automobiles," "Ghost Trains," "Haunted Mansions" -- even "Demonic Spirits That Whisper Commands to Kill."

Written by a real-life ghost hunter. Since 1958, the author has been invited to dozens of private homes, office buildings, dormitories, hospitals, and sacred areas in 46 states and other countries including Canada, Egypt, Israel, Jordan, and Peru to investigate haunting manifestations.

More than 125 photos, including unretouched photographs of supernatural manifestations.

- True ghost stories for all ages and levels of skepticism.
- Captivating stories of spooky, funny, and inexplicable activities.
- Provides the evidence and lets the reader decide.
- Includes well-known cases, like the infamous Amityville house, as well as stories first presented here.

The Fortune-Telling Book: The Encyclopedia of Divination and Soothsaying

Raymond Buckland

Written by a best-selling author and Romany (Gypsy) seer, Tarot reader, and designer of fortune-telling decks who received the 2002 Visionary Award for his Buckland Romani Tarot.

400 terms and concepts explained, from aeromancy to Nostradamus to zoomancy.

100 photographs and illustrations, additional reading chapter, comprehensive index.

- Perennial topic that has seen a significant growth in interest and participation.
- Intriguing explanations of terms and concepts, plus instructions about how to foretell your own fate.
- Offers colorful histories, biographies of famous and interesting soothsayers, and significant events.
- A little bird tells us (via orithomancy) that this book is bound for bestsellerdom.

VideoHound's Groovy Movies:

Far-Out Films from the Psychedelic Era
Irv Slifkin

Rides the retro wave celebrated by parody flicks like Austin Powers and Hollywood remakes like Point Blank, The Big Bounce, Get Carter, and The Thomas Crown Affair.

The groovy flicks in this book are being viewed and revered by a new, younger generation of fans and rewatched by baby boomers.

Covers the gamut of groove: spies, private eyes, far-out sci-fi, drug-fueled frolics, and sexy shagadelic sagas of the 1960s and 1970s -- from true classics (James Bond, Derek Flint, Matt Helm, Harry Palmer) to films that are fun for their camp value alone.

20 topical chapters such as "It's a Mod, Mod, Mod World" and "Don't Bogart That Trip My Friend."

Every taste is represented – from foreign shores to westerns, comedies to sex-filled romps, blaxploitation to schlock horror, animation to acid rock.

Like all VideoHound titles, packed with photos and indexes that other movie guides only wish they had.

Written by longtime movie critic and writer/editor for Movies Unlimited, a leading video retailer and publisher of the annual encyclopedic Movies Unlimited Video Catalog.

Shoah Train

William Heyen

New collection of work by award-winning poet William Heyen, whose earlier poetry on the Holocaust is critically acclaimed and widely taught.

- Poetry with the holocaust as subject matter.
- Important work for Jewish studies, American studies.

Praise for William Heyen's work:

"The most powerful book I have read this year is William Heyen's *The Swastika Poems*.... I know no other book so firmly integrated.... Sober and chilling, songs in shadowed measures, each leading forward into intenser realizations, darker clarities, these poems will invade your dreams."

—Hayden Carruth, *The Nation*

"[*Erika: Poems of the Holocaust*] is an act of strenuous self witness ... about the function of the imagination—its power and its limits when it comes up against the presumably untransformable facts of the Holocaust ... as in the incredibly powerful 'Poem Touching the Gestapo' or 'The Trains'."

—Jorie Graham, *New York Times Book Review*

As Easy As Lying

Essays on Poetry

H. L. Hix

Collection of essays on poetry by award-winning poet H. L. Hix. Essays that are useful in a variety of contexts—in creative writing and literature classes, and in augmenting discussions of poetry, for readers interested in finding out the way contemporary writers think and respond to one another's work, and also for an overview of the issues pertinent to contemporary American poets.

- **Variety of audiences:** students, lovers of poetry.
- **Style:** very elegantly written book. Satisfies experts, won't intimidate beginners.

Brief, comprehensive essays. See especially the first essay on "First Books" and the last essay, aphorisms that have been compared to Wittgenstein. Also, pungent reviews of important books by representative authors from disparate schools, backgrounds. These essays are fair-minded, non-partisan, and yet original and insightful.

MARKETING & PROMOTION

The authors have been highly successful in getting print media coverage. We expect the same results in the broadcast media. We plan to approach all the national shows that will include:

The Today Show, Good Morning America, The Early Show, The Saturday Early Show, Weekend Today, The View, Live with Regis and Kelly, Larry King, The Charlie Rose Show, all the CNN, CNBC, Fox News, and MSNBC.

THE FAMILY FIGHT:

Planning To Avoid It

Barry Fish & Les Kotzer

The Family Fight is easy to follow, written in plain language and will help you understand how to effectively protect your family from inheritance heartache.

This book has one clear message - family turmoil over an estate can easily happen to anyone, and it can get nasty. So how can you prevent it? Written by two estate lawyers who have seen it all - from expensive family heirlooms smashed in their offices out of spite, to incredible heartache and bitterness years after the fact. "The Family Fight: Planning To Avoid it" uses real-life examples and takes readers step-by-step through the process of making sure that it doesn't happen to their loved ones. Reviewers and thousands of readers are overwhelming in their response and praise for the book.

This book tells you...

- How you can protect yourself and your family if you become ill
- Why a proper Will is so important
- Why doing a home-made Will can be a recipe for disaster
- How one or two words can tear apart a close family
- How to deal with your personal items
- What to consider before cutting a child out of your Will
- What you should not assume when planning affairs
- What it really means to own something in joint ownership (why you can't leave your joint bank account to someone in your Will)
- And more...

Just look at photographs in your family album. Your daughter and your son running on the beach together; a family picnic or a family function with warmth between brothers and sisters and parents and children. It is so tragic to examine evidence of such happiness, only to think that it can all be irretrievably destroyed. It does not take a sinister motive to create the damage. Destruction of your family can easily result from oversight, procrastination, trivialization of the issues involved and disorganization itself. This book should give you the motivation to put planning of your affairs on the front burner so that you can avoid conflict in your family.

- This book provides strategies and suggestions to help keep your family united
- Explains complex legal terms in plain language
- Can help parents and adult children understand how easily families can be destroyed without proper planning (you will want to read the chapter on real life family fights entitled 'Inherited Turmoil')
- Can help to open a line of communication between parents and adult children (being able to talk about it now can prevent a family nightmare later)
- Helps you to organize your affairs so that you don't leave a mess for your family (the book contains a detailed record-keeping checklist)

Creative

HOUSE

A new imprint of Sally Milner Publishing Pty Ltd, Creative House authors cover the traditional soft crafts in a mid to lower price range—great for the buyer on a budget.

The range is a vibrant mix of titles in Patchwork & Quilting, Embroidery and Cross Stitch, as well as Folk Art Decorative Painting. Each title has been prepared with an uncompromising attention to detail and quality. With page extents between 80pp and 120pp, the books are digestible and affordable. Most contain pattern sheets to support the project instructions in the text.

Authors include such well-known names in the craft world as Annette Stephenson (Handpainted Bears), Karen Fall (Quilting) and Gloria McKinnon (Ribbon Embroidery).

All 30 titles are 11" x 8" soft cover, four color throughout, and each one is packed with great projects, all beautifully photographed to bring out the lustre and texture of the works.

The Healthy Family

Cooking for the Rushed

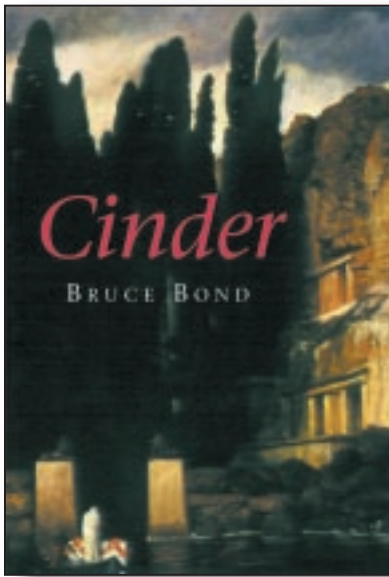

Sandi Richard with Kelly Brett, M.D.,
 George Lambros, M.D.

This book is about dinners, healthy dinners, no desserts, no fancy appetizers, just amazing tasting food, that your family will actually eat. Meal planning expert Sandi Richard conveys her passion for healthy, fast meal preparation in a book that is light hearted, factual, practical and simple to read. Collaborators Kelly Brett MD, an NHL team physician, and Gorge lambros, MD, a family and sports medicine physiian, contribute an understanding of the relationship between physical activity and the food we eat.

- 20 minutes or less to prepare a full dinner
- Full color photo for every recipe
- Nutritional information for every recipe, including fiber
- Grocery lists for 7 weeks of dinners
- Sandi's trademark left to right format makes it easy for even kids to follow the recipe
- Based on five years of testing dinners with real families on the go
- QVC appearance in May

Cinder Bruce Bond

A new collection, post-9/11, aware of loss and cultural fragmentation, but attempting also to make personal sense out of chaos. Poems of power and complexity from an incredibly gifted poet whose training in music and art give these poems a multidimensional quality, and a wide range of reference points.

- Collection of poetry by award-winning poet Bruce Bond, one of the most important poets of his generation (born 1954).
- A poet at the height of his powers, whose readership is growing, as the neo-classical movement gains attention.

Praise for Milton Kessler

“Kessler sharp phrases catch the motion, textures, and strange, beautiful voices of a physical world we live in but never fully know.”

—Camille Paglia

“A lyricist capable of lovely and musical effects.”

—Elizabeth Bishop

“A good book like this [Grand Concourse] is a gift to the world, a tourniquet to staunch the bleeding.”

Free Concert New and Selected Poems Milton Kessler

The selected life’s work of a major poet who influenced and was influenced by some of the great writers of the 20th century, including Elizabeth Bishop, Arthur Miller, Camille Paglia, and David Ignatow. Important for an overview of the century’s movements—especially objectivism. Kessler was also an influential critic, editor of Choice magazine, and a beloved teacher.

- Generous selections from complete life’s work.
- Poems of incredible range—from haiku-like poems to others of great sonority and power.
- Important poet for the Jewish community, for New York community, and for urban studies.

Praise for Bruce Bond

In this, his most intricately composed book, his most important yet, Bruce Bond has achieved a sonorous grandeur.”
